

# SHAPING YOUR COMMUNITY

## have you say about the future of Eastleigh Borough

Eastleigh Borough Council wants to hear from you, let us know what is important to you and your family in your community so we can better understand local needs. This information will help us develop our Local Plan. This sets out how and when we can deliver community facilities, new houses, space for employment sites and infrastructure and how we can protect our environment for future generations.

### How can you get involved?

It is important to us that all local people have their say

You can complete a paper survey or you can complete an online survey by visiting our website:
