Public Session

314/81/17 Cllr Cohen proposed, Cllr Hughes seconded, all agreed, and IT WAS RESOLVED that the public session would be extended for the meeting from 15 minutes to 30 minutes to allow all the members of the public to speak and that the Planning Application 17/80438 (Satchell Lane) would be the first item to be dealt with by the Council.

315/81/17 A number of residents spoke about their concerns regarding Planning Application 17/80438 (Satchell Lane) as follows:

- Road Safety: access onto Satchell Lane from the site is on a blind bend which will be dangerous at peak traffic times.
- Increase in traffic: The site increases the number of homes thereon from 1 to 4, with parking spaces for 3 vehicles this will escalate the numbers of cars exiting on to Satchell Lane and adding to the present traffic congestion there.

Chairman’s Signature: Date:

- Water management: at times of heavy rainfall water settles into the several of the gardens in Satchell Lane - more building on this plot will prevent water from draining away and create a flood risk.
- Biodiversity and Trees: the application involves the removal of a significant number of trees some of which have Preservation Orders on them and, from the application, it would appear that some of the proposed buildings are very close to these trees which would damage their root systems. This would also have a negative impact on wildlife and the plot is also only 100m from a conservation area.
- These buildings would create a considerable negative visual impact from the River and the building overlooks a SSSI and Ramsar site. It was queried whether the River Authority, and Fareham Borough Council had been approached to seek their views on this development.

The land owners agent responded to the issues raised and agreed to take them away for further consideration. Cllr Cohen thanked those present for attending and for their helpful contributions.

Planning

316/81/17 *F/17/80438 Construction of 4 no. dwellings with amended access from Satchell Lane, following demolition of existing dwelling (access only, all other matters reserved).*

Cllr Hand proposed, Cllr Beach seconded, Cllr Cross and Cllr Underdown abstained, the majority agreed, and IT WAS RESOLVED that the Parish Council opposed this Planning Application on the grounds of: inadequate access; that the scale of the buildings were too big for the site; concern about the removal of trees and the effect on biodiversity; concern about water run-off from the airfield, lack of drainage and the possibility of flooding; the effect on views from the River Hamble (as protected by the European Landscape Convention (Views and Sea Scapes). Due to these numerous objections, the Parish Council requested that this application be referred to the Local Area Committee for determination and asked that all outside bodies be consulted and comments sought.

Cllr Underdown proposed, Cllr Schofield seconded, Cllr Cross, Cllr Phillips and Cllr Beach abstained, the majority agreed, and IT WAS RESOLVED that the Parish Council requested an improved design of the new building which was considered too large for the site, before commenting further on the application for demolition.
