

REGULATIONS FOR MEMORIALS AND TABLETS AT ST ANDREW'S CEMETERY, HAMBLE LE RICE.

The Parish Council's Policy is to provide a space for quiet contemplation, whilst supporting biodiversity as the cemetery provides an important green corridor for wildlife. The cemetery will be managed on a naturalistic basis, with grass mown infrequently in some areas.

It is intended that St Andrew's Cemetery be a cemetery laid to grass as far as possible and should be kept free of anything that impedes the cutting of grass. This means that kerbs, railings, bird baths and stone, chippings are not permitted on or around grave or cremation plots.

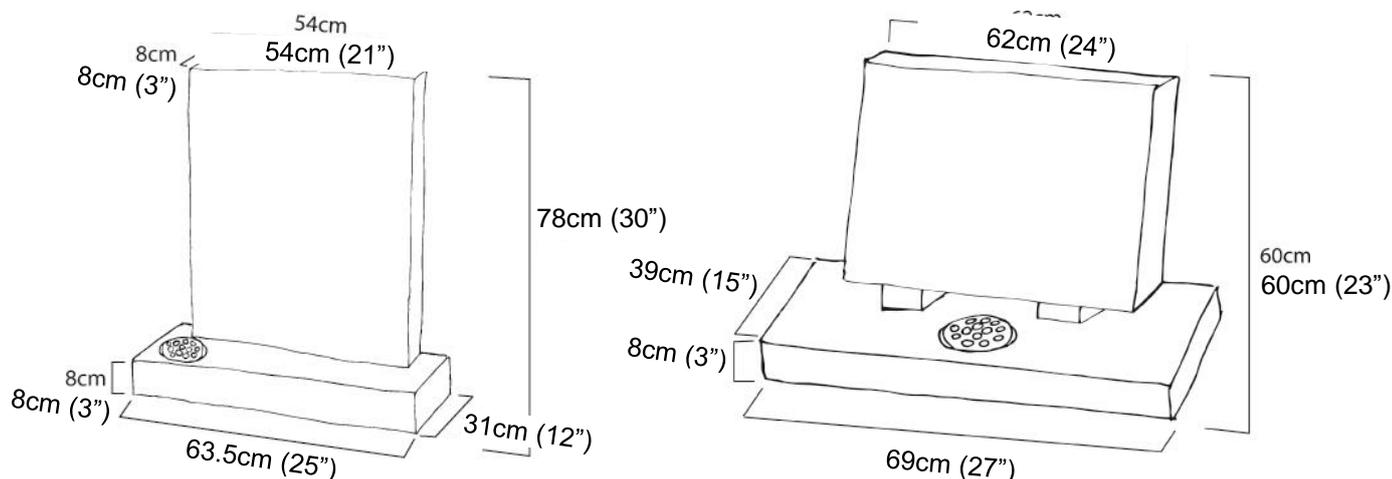

The Parish Council has a statutory duty to ensure risks within the Council's cemetery are properly managed and these regulations are in place to ensure the safety of all those working at and visiting the cemetery.

These regulations are in addition to the provisions of the Local Authorities Cemeteries Order 1977 and any other appropriate laws or statutes currently in force

All memorials shall be fixed according to BS8415 and the relevant Codes of Practice or Guidance.

All memorial masons undertaking work at St Andrew's Cemetery shall be suitably qualified, registered with BRAMM and provide proof of public liability, and if applicable, employers liability insurance.

1. Application forms including a detailed sketch of each proposed memorial giving full details and dimensions in millimetres and inches, together with the grave owner's consent must be submitted to the parish office for approval. Forms are available on hambleparishcouncil.gov.uk
2. Memorials and tablets may not be erected or removed from the cemetery without the written consent of the Clerk and the written permission of the owner of the Grant of Exclusive Right of Burial. At least two working days notice must be given.
3. Exclusive Right of Burial must be purchased for a burial or ashes plot before a memorial can be installed or replaced. This applies to existing plots where Exclusive Right of Burial may not have been purchased at the time of the original burial or ashes interment.
4. All memorials are to be of natural stone and must not be coloured. No Bath, Caen, or other soft stone shall be allowed in the construction of any memorial. The Parish Council reserves the right to reject applications for memorials with stones of uneven thickness.
5. Only tablets are permitted on cremation plots. The Maximum outside measurements for memorial tablets is 460mm X 380mm. Memorial tablets must be laid directly into the ground and not exceed current ground level by more than 5cm
6. The maximum outside measurements, above ground level, for memorial headstones erected within the Cemetery are shown below:

7. All memorials are to be laid firm, level and square directly in to the ground and must not be mounted on a slab or another tablet. No rails, wooden edging, chains of any description or glass wreath cases are allowed.
8. The memorial mason must mark the reverse of the memorial in the lower right corner with the plot number in letters no higher than 1.5cm. The mason's name may be inscribed on the reverse in unpainted and unleaded letters no larger than 1.5cm in height.
9. All monumental work shall be finished prior to the placement of any memorial, excepting the execution of a second inscription for which permission must be obtained. Inscriptions shall be gilded or leaded only.
10. No advertising boards, tablets or cards can be placed on or around a memorial. No form of advertisement may be displayed in any part of the cemetery.
11. Memorials will be inspected after installation. If the measurements or method of fixing do not comply with those authorised or relevant standards the Stonemason must remove immediately and it rectify at their own expense. Failure to remove non-compliant memorials or misrepresentation will mean a mason is refused access to St Andrew's Cemetery.
12. Carrying out, or attempting to carry out, unauthorised memorial installation or alterations will be treated very seriously by the Parish Council and will be reported to the police, relevant authorities and trade bodies.
13. Trees, shrubs and bushes must not be planted on grave or ashes plots as these undermine memorials and make them unsafe.

Some older existing graves and ashes plots may have larger and different style memorials due to historical practice or regulations. This does not set a precedent for new memorial applications
