- 25/2/19** **Centenary Year of the Hamble River Sailing Club**
The Commodore, Steph Merry, circulated the Club's Centenary Event Programme. There were some issues that required the Parish Council's advice: (1) the use and provision of loud speakers on the quay: the Clerk agreed to investigate the procedure for arranging this with Eastleigh Borough Council. (2) Consideration of signage for the event. (3) Parking: the Donkey Derby Field had been reserved for the regatta, however, this date coincided with the annual River Raid, so more thought would have to be given to parking on this day. (4) Fireworks: Cllr Rolfe was able to advise on this. The Council offered to publish an article in the Parish Magazine to publicise the event and deadlines for the July edition would be provided. The Clerk advised that the emergency services would have to be notified if it was anticipated that the event would attract a lot of people. **CLERK**
Cllr Cohen thanked Mrs Merry for attending and informing the Council of the Club's events, confirming that the Parish Council would support them where they could. *7.25 pm Mrs Merry left the meeting*
- 26/2/19** **The Mercury Library and Community Hub**
An update report had been provided to the Parish Council by Eastleigh Borough Council and circulated at the meeting.

The opening date for the Library is now April. Hampshire County Council Library service have confirmed that they cannot supply any more books, although Southampton City Council have been approached. Given this a book exchange was seen as a sensible way forward with the lending being managed through a manual logging system.

The booking system for public use of the space at the Hub is now available through the Eastleigh Borough Council web site. Eventually links to this will be loaded from Hamble Parish Council's web site and Facebook account.
